Thick & Easy™ Clear

GP Request Card

Thick & Easy Clear can be used to modify the consistency of drinks, helping people with dysphagia to control their swallow.

Thick & Easy Clear:

- Encourages fluid intake, therefore reducing the risk of dehydration
- Is a gum-based thickener
- Retains a consistent thickness over time
- Is amylase resistant for stable consistency over time to ensure safe swallowing
- Lessens the fear of swallowing
- Can be used to thicken both hot and cold drinks
