Thick & Easy™ Clear

GP Request Card

Thick & Easy Clear can be used to modify the consistency of drinks, helping people with dysphagia to control their swallow.

Thick & Easy Clear:

- Encourages fluid intake, therefore reducing the risk of dehydration
- Is a gum-based thickener
- Is amylase resistant for stable consistency over time to ensure safe swallowing
- Can be used to thicken both hot, cold and fizzy
- Lessens the fear of swallowing
- Retains a consistent thickness over time

GP Request Card

To be completed by a healthcare professional only

Dear Dr _____

I would be grateful if you could provide a prescription for the following patient

Name _____

Address _____

_____ Postcode _____

Product _____ Quantity _____ PCRS CODE: 81506
